

CALIFORNIA ANNUAL DECLARATION OF COMPLIANCE

July 1, 2023

Dermavant Sciences, Inc. (Dermavant) has developed a Comprehensive Compliance Program (CCP) that is compliant with the California Health & Safety Code §§ 119400-119402, the HHS OIG Compliance Program Guidance for Pharmaceutical Manufacturers, and the PhRMA Code on Interactions with Healthcare Professionals. Dermavant's CCP is tailored to the size, organizational structure, and resources of the company, and is reasonably designed to prevent and detect compliance violations in accordance with the HHS OIG Compliance Program Guidance for Pharmaceutical Manufacturers. As of July 1, 2023, Dermavant hereby declares in good faith to the best of its knowledge, information, and belief that it is, in all material respects, in compliance with its CCP and the requirements of California Health & Safety Code §§ 119400-119402.

Dermavant has developed and implemented elements of its CCP to address certain issues uniquely raised by the California law. In addition, compliance is a dynamic concept and, therefore, Dermavant periodically assesses the effectiveness of its CCP and may modify aspects of the CCP to enhance it. Dermavant assesses its CCP prior to July 1 of each year. In making this declaration of compliance, Dermavant is asserting that its CCP is reasonably designed to prevent and detect violations of law, regulations, and company policies, and provides for disciplinary and corrective actions when appropriate.
